David Smith

DIT (Digital Imaging Technician)

Chris is an amazing sound mixer and all around great person to have on set. Chris is always on set 15 min before call time, prepared with all the equipment he needs, ready to take on the day. I have known Chris for the better part of 3 years, most re ...MORE...

Marc Vibbert

Production Assistant

Chris is always super prepared for any production and will even have gear with him that not all other sound engineers may think to bring. He's fun to work with but is very professional and makes sure to get the work done quickly and properly. Highly ...MORE...

Scott Minard

Director of Photography (DP)

Chris is one of those guys that is always ready to go, always has a smile on his face, and always puts in 100% and then some. He lifts group morale as a whole always being ready to check in on how you're doing and offer up a witty or positive remark. ...MORE...
